

NEW PRODUCT RELEASE

RF Connectors Coax Connector Solutions Catalog

The new 156-page RF Connectors Coax Connector Solutions Catalog highlights their line of coaxial connectors, adapters, tools and kits. It is available free of charge. The guide provides product specifications, stripping guidelines and photos for over 1200 coaxial products stocked for shipping. Extensive coverage is given to classic connector lines, such as BNC, TNC, N, UHF, Mini-UHF, SMA, SMB, MCX, MMCX, 7-16 DIN, FME, and those compatible with LMR[®] cables. The catalog also includes the newest WiFi and broadband products. Available in print, on CD and their website. Contact RF Connectors for a free copy.

LMR[®] LMR[®] is a registered trademark of Times Microwave.

RF Connectors is a division of RF Industries (NASDAQ RFIL) a leading supplier of connecting solutions provided through its operating divisions: RF Connectors, RF Cable Assembly, Aviel Electronics, RF Neulink, RadioMobile and Worswick/OddCables.
